INTRODUCTION

Asian Federation of Biotechnology (AFOB) Regional Symposium (ARS) is the annual event of the AFOB. In 2025, this prestigious symposium will take place in a hybrid format, which will be hosted at The Everly Putrajaya, with an in-person gathering and virtual attendance options. This symposium is organised by Universiti Putra Malaysia (UPM), with the support of esteemed institutions and research centres, which aim to unite local and international researchers, scientists, academics, and industry professionals. ARS 2025 offers an invaluable platform to share cutting-edge research and innovative ideas in biotechnology, with a focus on multidisciplinary collaboration and sustainable development. Join us and be part of this transformative journey toward global well-being!
